

Have a Safe Holiday Season

Ontario to Enter Province-wide Shutdown

On Saturday, December 26, at 12:01 a.m., Ontario (including Whitby) will enter a province-wide shutdown that will remain in effect until at least January 23, 2021.

This means residents must limit close contact to those in their immediate household and stay home as much as possible, except for essential purposes like grocery shopping. Town facilities are also now closed to the public until further notice. For more information on new restrictions impacting residents and local businesses, visit whitby.ca/coronavirus

Follow public health advice to stop the spread of COVID-19:

- Practise physical distancing
- Properly wear a mask
- Wash your hands
- Stay home if sick

Thank You Frontline Heroes

We appreciate all that you do to keep Whitby safe and healthy.

WHITBY

LIGHTS THE NIGHT

Map Your Own Holiday Lights Tour

Residents can plan their own Whitby holiday lights tour using a new online mapping tool. Grab a hot chocolate and experience Whitby's twinkling lights from the safety and comfort of your car, or bundle up and take a winter walk through your neighbourhood to see some of the best decorated homes in the Town.
