

Bulletin #2025 – 01

April 1st, 2025

Pre-Approved Models (PAMs)

Pre-approved models (PAMs) are reviews of a design's compliance with the Ontario Building Code (OBC). Since the 2024 OBC has been in effect as of January 1st, 2025, and the grace period ended on March 31st, 2025, any previously approved PAMs reviewed under the 2012 OBC will no longer be valid as of April 1st, 2025.

If you are submitting a repeat permit application for a PAM reviewed under the 2012 OBC after March 31st, 2025, you will be required to re-certify your existing PAM prior to submitting your repeat permit application.

Thank you for your cooperation.
