Being a By-law to Regulate Traffic on the Highways and on Certain Private Roadways in the Town of Whitby.

Whereas, Subsection 210 (45) of the Municipal Act, R.S.O. 1980, c. 302, provides that By-laws may be passed by the councils of local municipalities for designating private roadways as fire routes along which no parking of vehicles shall be permitted and providing for the removal and impounding of any vehicle or vehicles parked or left along any fire route so designated at the expense of the owner thereof;

And whereas Subsection 210 (117) of the Municipal Act, R.S.O. 1980, c. 302, provides that By-laws may be passed by the councils of local municipalities for regulating traffic on the highways and for prohibiting heavy traffic as defined in the By-law, and for prohibiting traffic in any but one direction on highways that, in the opinion of the council, are too narrow for the passing of one vehicle by another or in which, in the opinion of the council, it is desirable that traffic should be limited to one direction;

And whereas Subsection 210 (119) of the Municipal Act, R.S.O. 1980, c. 302, provides that By-laws may be passed by the councils of local municipalities for exempting, pursuant to permits issued, the owners and drivers of vehicles operating by or carrying a physically handicapped person, as defined by the By-law, from any provision of a By-law passed by the council under the Municipal Act or under any other general or special act for prohibiting or regulating the parking, standing or stopping of motor vehicles on any highway or part thereof under the jurisdiction of the council;

And whereas Subsection 210 (120) of the Municipal Act, R.S.O. 1980 c. 302, provides that By-laws may be passed by the councils of local municipalities for authorizing and assigning stands on the highways for motor vehicles not kept for hire, and for motor vehicles and other vehicles kept for hire, and regulating the use of the stands;

And whereas Subsection 315 (8) of the Municipal Act, R.S.O. 1980, c. 302, provides that the councils of all municipalities may pass By-laws for erecting, maintaining and operating on any highway or portion of a highway, automatic or other mechanical meters or devices, with the necessary standards for the same, for the purpose of controlling and regulating the parking of any vehicles on the highway and measuring and recording the duration of such parking, for requiring drivers of every vehicle parked on such highways to make use of such meters or devices, and to pay for

parking such vehicle on the highway a fee according to the amount of scale prescribed by the By-law and as measured by the meter or device, and for prohibiting parking of vehicles on such highway or portion of a highway unless such meter or device is made use of and such fee is paid, and for limiting the right of parking of vehicles on such highway to such drivers as to make use of such meters and devices and pay such fees;

And whereas Section 321 of the Municipal Act, R.S.O. 1980, c. 302, provides that By-laws may be passed by the councils of all municipalities for providing that any person who contravenes any By-law of the council passed under the authority of the Municipal Act, is guilty of an offence and for providing the imposition of fines of not more than \$2,000.00 on every person who is convicted of an offence under any such By-law;

And whereas Subsection 104b (2) of the Highway Traffic Act, R.S.O. 1980, c. 198, as amended, provides that the municipal corporation or other authority having jurisdiction over a bridge may by By-law approved by the Ministry of Transportation and Communications limit the gross weight of any vehicle or any class thereof passing over such bridge;

And whereas Subsection 109 (2) of the Highway Traffic Act, R.S.O. 1980, c. 198, provides that the council of a municipality may by bylaw prescribe a rate of speed for motor vehicles driven on a highway or portion of a highway under its jurisdiction; And whereas the Council of the Corporation of the Town of Whitby considers it appropriate to pass a By-law to regulate traffic on the highways under its jurisdiction and on certain private roadways;
