General Information And Procedures

The attached application is to be used by persons or public bodies as an application for Site Plan Approval. In the application, "subject land(s)" means the land(s) that is the subject of this application. This application and any attached supporting documentation, contains information collected and maintained specifically for the purpose of creating a record available to the general public and is open to inspection by any person during normal office hours. Personal information on this application is collected under the authority of the Municipal Act, as amended, and the Planning Act, as amended, and will be used for the purposes of processing this application. Questions regarding this collection should be directed to The Corporation of the Town of Whitby, Access and Policy Coordinator, 575 Rossland Road East, Whitby, Ontario, L1N 2M8 905.430.4315.

Pre-consultation:

Pre-consultation prior to submission of an application is a vital part of processing an application. In accordance with the Planning Act, the Town has passed a "Pre-consultation By-law" (By-law 5967-07), requiring that an applicant contact the Planning and Development Department to arrange a mandatory pre-consultation meeting prior to submission of Site Plan Approval application. The Planning and Development Department will coordinate a pre-consultation meeting(s) with various Town departments and commenting agencies (e.g. CLOC, MTO, MOE, Durham Region) who may have policies, comments, or concerns relevant to the application. Through pre-consultation, an applicant can also be provided information regarding, among other matters, submission requirements due to Official Plan policies, Provincial Policy Statement, or Provincial Plans.

Applications will not be processed when pre-consultation has not occurred in accordance with By-law 5967-07.

Site Plan Approval:

Site Plan Approval is required for certain types of development as specified by By-law No. 5846-06 (a copy of the By-law is attached). The types of development which require site plan approval are:
I. Residential development consisting of 3 or more dwelling units (except street townhouse within a registered plan of subdivision);
II. Commercial Development;
III. Institutional Development;
IV. Industrial Development;
V. Heritage Building Additions
VI. Development within Hazard Land or Environmentally Sensitive Area or within portions of the Oak Ridges Moraine

Procedures for Processing Site Plan Applications:

1. Complete and return the application form along with the appropriate fee to cover the processing fees.
2. Submit fifteen (15) folded copies of the proposed site plan and two (2) folded copies of the floor plan, building elevations and the landscape plan.

The plans should include the following: (if required):
Layout and elevations of proposed buildings to include among other items, the following:

a. Key Plan - location and use of abutting properties and buildings.
b. Site dimensions, existing natural features, easements, road widening and services.
c. Proposed use, dimensions, location on lot, setbacks, walkways, sidewalks, parking areas, driveways, existing and proposed grades and drainage direction.
d. Statistics Chart:
   i) Gross area

   iii) Lot coverage (% of net area)
   iv) Floor space index
   v) Landscaped open space/amenity space (%) provided and required
   vi) Parking spaces provided and required including accessible spaces
   vii) Intent (rental, condominium or single ownership)
   viii) Number and type of units including floor area
   ix) Phased developments are to be fully documented i.e.: use, floor area, etc.

e. All elevations, materials/colour, roof mechanicals and screening method, underground parking layout and location on lot, the number and size of commercial or residential units.
f. Curbing detail, light standards, planters, outdoor furniture, play equipment, garbage receptacles, privacy screens, fencing, walls, walkway material, signs (identification, entrance and parking), hard landscape material, berms, banks and swales.
g. Landscape detail (to be identified by letter in chart form on plan) of all plant material to include size (caliper and height), common name, location and number.

3. At such time that a site plan application is approved, the applicant shall submit to the Planning and Development Department revised drawings in accordance with Council’s Resolution for the purpose of final approval and inclusion within a site plan agreement for registration in the Land Registry Office in Whitby.

4. The drawings required for attachment to the site plan agreement and registration in the Land Titles Office, shall be reduced to a legal document size or as may be approved by the Planning and Development Department.

5. The applicant agrees to reimburse the Town for any fees that may be incurred for the time spent on processing an application which is withdrawn or for the preparation and registration of a site plan agreement, whether or not such agreement is executed.

The completed application is to be submitted to:

**Town of Whitby Planning and Development Department**
575 Rossland Road East
Whitby, ON L1N 2M8
(Telephone: 905.430.4306 ~ Fax: 905.668.7812)

**Fees:**

All fees, as detailed in the application, must be submitted with the completed application.

**Regional Municipality of Durham Works Department:**

**Basic Requirements For Site Servicing Plans**

The following outline is intended to assist the applicant in preparing site servicing plans for service connections and entrance permits for all developments other than single-family or semi-detached dwellings. Compliance with these requirements will expedite the processing of the submission. Detailed policies and by-laws covering connections and entrances are available upon request. Please contact the Region of Durham Works Department, Development Approvals Section at 905.668.7721 for further information.
General

1. Prior to making applications for service connections and entrance permits, six copies of site servicing plans must be submitted to the Region for approval.

2. An estimate, based on the approved plan, will be provided by the Region to cover work to be performed within the Right of Way by its personnel or contractor.

3. A deposit in the amount of the estimate will be taken at the time of issuance of connection applications or entrance permits. If the actual cost of the work differs from the estimate the applicant will be either invoiced or reimbursed in accordance with Region policy.

4. No estimate will be provided without a proper site servicing plan submission.

5. Approval of the plan and subsequent granting of a connection application shall not remove the applicant's responsibility for the accuracy of the site-servicing plan.

K. Location of proposed and existing entrances.

L. Location, length and size of culverts.

M. Entranceway geometrics.

N. Backflow preventers size, type and location.

Note: Local municipalities cannot issue Building permits until all Regional requirements have been satisfied
PRE-CONSULTATION BY-LAW

THE CORPORATION OF THE TOWN OF WHITBY

BY-LAW NO. 5967-07

BEING A BY-LAW TO REQUIRE APPLICANTS TO CONSULT WITH THE TOWN OF WHITBY PRIOR TO SUBMISSION OF A DEVELOPMENT APPLICATION (PRE-CONSULTATION BY-LAW)

WHEREAS, sections 22(3.1), 34(10.0.1), 41(3.1), and 51 (16.1) of the Planning Act, R.S.O. 1991, c. P.13, as amended provides that a municipality may, by by-law, require applicants to consult with the municipality prior to submission of development applications;

AND WHEREAS, Council for the Corporation of the Town of Whitby deems it appropriate to require pre-consultation with applicants submitting development applications;

NOW THEREFORE, the Council of the Corporation of the Town of Whitby enacts as follows:

1. The Director of Planning and his or her designate(s) are authorized to:

   (a) conduct pre-consultations; and,

   (b) identify the information and materials necessary for processing each application,

   (i.) prior to submission and acceptance of development applications, as items necessary for the application to be deemed complete under the Planning Act and Whitby Official Plan; and

   (ii.) during the processing of development applications in cases where such information and materials cannot reasonably be provided at the time of submission of the application.

2. Applicants shall pre-consult with municipal staff prior to submission of a development application in order to identify the information and materials necessary to the processing of an application.
SHORT TITLE

3. This by-law may be referred to as the "Pre-Consultation By-law"

EFFECTIVE DATE

4. This by-law shall come into force and take effect upon the final passing thereof.

Paul Jones, Clerk

Patricia Perkins, Mayor
Site Plan Control By-law

Being a By-law to designate the Town of Whitby as a Site Plan Control Area and to delegate to the Commissioner of Planning and Development the authority to approve plans and drawings for site plan applications, and where required, to execute site plan agreements.

Whereas, Section 41 of the Planning Act, R.S.O. 1990, c. P.13, as amended, permits the council of a municipality to designate the whole or any part of the municipality as a site plan control area;

And whereas, Section 41 of the Planning Act, R.S.O. 1990, c. P.13, as amended, permits the council of a municipality by by-law to delegate to either a committee of the council or to an appointed officer of the municipality identified in the by-law either by name or position occupied, any of the council's powers or authority under the said section, except the authority to define any class or classes of development as mentioned in clause 41(13)(a) of the Planning Act;

And whereas, the Council of The Corporation of The Town of Whitby considers it desirable to pass such a by-law;

Now therefore, the Council of The Corporation of the Town of Whitby hereby enacts as follows:

1. Definitions

1.1. In this by-law,

1.2. “ACT” means the Planning Act, R.S.O. 1990, c. P.13, as amended;

"DEVELOPMENT" means the construction, erection or placing of one or more buildings or structures on land or the making of an addition or alteration to a building or structure that has the effect of substantially increasing the size or usability thereof, or the laying out and establishment of a commercial parking lot or of sites for the location of three or more trailers as defined in clause 164(4)(a) of the Municipal Act, 2001, s.o. 2001, c. 25 as amended, or of sites for the location of three or more mobile homes as defined in subsection 46(1) of the Act;

Notwithstanding the definition of development above, within the Oak Ridges Moraine, as established by Ontario Regulation 1/02, in addition, “development” shall also include the creation of a new lot, a change in land use, or the construction of buildings and structures, any of which require approval under the Act, the Environmental Assessment Act, R.S.O. 1990., c. E.18, as amended, or the Drainage Act, R.S.O. 1990 c. 0.17, as amended, but does not include:
(a) the construction of facilities for transportation, infrastructure and utilities uses, by a public body as described in Section 11.11.9 of the Town of Whitby Official Plan;

(b) the reconstruction, repair or maintenance of a drain approved under the Drainage Act, R.S.O. 1990, c. D.17, as amended, and in existence on November 15, 2001;

(c) the carrying out of agricultural practices on land that was being used for agricultural uses on November 15, 2001;

(d) the placement of a portable classroom on a school site of a district school board if the school site was in existence on January 1, 2007.

"SITE ALTERATION" within the Oak Ridges Moraine means activities such as filling, grading and excavation that would change the landform and natural vegetative characteristics of land, but does not include,

(a) the construction of facilities for transportation, infrastructure and utilities uses, by a public body as described in Section 11.11.9 of the Town of Whitby Official Plan;

(b) the reconstruction, repair or maintenance of a drain approved under the Drainage Act, R.S.O. 1990, c. D.17, as amended and in existence on November 15, 2001;

(c) the carrying out of agricultural practices on land that was being used for agricultural uses on November 15, 2001.

"TOWN" means The Corporation of the Town of Whitby.

2. Interpretation

2.1. Site Plan Control Area

All land located within the corporate limits of the Town is hereby designated as a site plan control area.

3. General

3.1. No person shall undertake any development in the site plan control area designated by this By-law unless the Council of the Town or, where a referral has been made under subsection 41(12) of the Act, as amended, to the Local Planning Appeal Tribunal has approved,

(a) plans showing the location of all buildings and structures to be erected and showing the location of all facilities and works to be provided in conjunction therewith including those facilities and works referred to in subsection 3.2 of this By-law and, including facilities designed to have regard for accessibility for persons with disabilities;

(b) drawings showing plan, elevation and cross section views for each building to be erected which are sufficient to display,
(i) the massing and conceptual design of the proposed building;
(ii) the relationship of the proposed building to adjacent buildings, streets, and exterior areas to which members of the public have access;
(iii) the provision of interior walkways, stairs, elevators and escalators to which members of the public have access from streets, open spaces and interior walkways in adjacent buildings;
(iv) matters relating to exterior building design details including, but not limited to sustainable design, character and appearance, but only to the extent that it is a matter of exterior design;
(v) facilities designed to have regard for accessibility for persons with disabilities;
(vi) sustainable and accessible design elements within, or adjacent to, an adjoining municipal right-of-way, including without limitation, trees, landscaping, permeable paving materials, street furniture, curb ramps, waste and recycling containers and bicycle parking facilities;
(vii) architectural drawings illustrating appropriate design characteristics and materials to mitigate the potential for bird strikes and a report from a qualified environmental consultant that states that appropriate and acceptable mitigation measures have been included in the design.

(c) Within the Oak Ridges Moraine, plans or drawings showing how the recommendations of an approved natural heritage evaluation will be implemented.

3.2. As a condition of approval of the plans and drawings referred to in subsection 3.1 of this By-law, the Town may require the owner of lands being developed to,

(a) provide to the satisfaction of and at no expense to the Town any or all of the following:

(i) widenings of highways that abut on the land;
(ii) subject to the Public Transportation and Highway Improvement Act, R.S.O. 1990, c. P.50, as amended, facilities to provide access to and from the lands such as access ramps, curbing and traffic direction signs;
(iii) off-street vehicular loading and parking facilities, either covered or uncovered, access driveways, including driveways for emergency vehicles, and the surfacing of such areas and driveways;

(iv) walkways and walkway ramps, including the surfacing thereof, and all other means of pedestrian access;

(v) facilities designed to have regard for accessibility for persons with disabilities;

(vi) facilities for the lighting, including floodlighting, of the land or of any buildings or structures thereon;

(vii) walls, fences, hedges, trees, shrubs or other ground cover or facilities for the landscaping of the land or the protection of adjoining land;

(viii) vaults, central storage and collection areas and other facilities and enclosures for the storage of garbage and other waste material;

(ix) easements conveyed to the Town for the construction, maintenance, or improvement of water courses, ditches, land drainage works and sanitary sewerage facilities and other public utilities on the land;

(x) grading or alteration in elevation or contour of the land and provisions for the disposal of storm, surface and waste water from the land and from any buildings or structures thereon;

(xi) reports and/or studies demonstrating conformity with the policies of the Town’s Official Plan and requirements of the Town’s Zoning By-laws, as amended.

(b) maintain to the satisfaction of the Town and at the sole risk and expense of the owner any or all of the facilities or works mentioned in paragraphs (ii) to (viii), inclusive, of clause 3.2(a) of this By-law including the removal of snow and ice from access ramps and driveways, parking and loading areas and walkways;

(c) enter into one or more agreements with the Town dealing with and ensuring the provisions of the facilities, works or matters to be provided in accordance with clause 3.2(a) of this By-law and the maintenance thereof as mentioned in clause 3.2(b) of this By-law and the provision and approval of the plans and drawings referred to in subsection 3.1 of this By-law.

3.3. The Commissioner of Planning and Development is authorized to execute on behalf of the Town any agreement being entered into pursuant to clause 3.2(c) of this By-law.
3.4. Delegation

3.4.1. Despite the provisions of subsection 3.1 of this By-law relating to the approval of a class or classes of development within the site plan control area by the Council of the Town, the Commissioner of Planning and Development, or his or her designate, is authorized to approve the following:

(a) Development of residential sales offices and model homes.

(b) Development, expansion and/or enlargement of new and existing buildings and structures on lands located within an Environmentally Sensitive Area or Hazard Land designation beyond the Urban Area Boundary as shown on Schedules “A” and “C” of the Whitby Official Plan;

(c) Development, expansion and/or enlargement of new and existing buildings and structures within the dotted area as outlined on Schedule “A-1” Oak Ridges Moraine – Environmental Protection Site Plan Control Area and within the single or double cross-hatching areas as outlined on Schedule “A-2” Oak Ridges Moraine – Landform Conservation Areas Site Plan Control Area attached hereto and forming part of this by-law.

(d) Pursuant to clause 41(13)(b) of the Act, the powers and authority of the Council of the Town of Whitby under section 41 of the Act, except the authority to define any class or classes of development as mentioned in clause 41(13)(a) are hereby delegated to the Commissioner of Planning and Development of the Town of Whitby.

(e) Notwithstanding clause 3.4.1 (d), the Commissioner of Planning and Development shall not grant or deny approval of a site plan application where Council by resolution has withdrawn delegated authority.

3.4.2. When exercising such power and authority, the Commissioner of Planning and Development shall be responsible for the processing, co-ordination and preparation of any agreements being entered into pursuant to clause 3.2 (c) of this By-law and shall comply with all By-laws and policies adopted by the Council relating to any of the matters which are to be considered under the said Section.

3.5. Exceptions

3.5.1. The following class or classes of development may be undertaken without the approval of plans and drawings otherwise required under subsection 3.1 of this By-law:

(a) single detached dwelling, semi-detached dwelling, duplex dwelling, link dwelling or street townhouse dwelling including
any accessory buildings related thereto, and buildings or structures used for agricultural operations, unless,

(i) the main building and any accessory building or structure is designated under the Ontario Heritage Acts, R.S.O. 1990, c. O.18, as amended;

(ii) the land is located within an Environmentally Sensitive Area or Hazard Land designation as shown on Schedules “A” and “C” to the Whitby Official Plan.

4. Schedule(s)

4.1. Oak Ridges Moraine – Environmental Protection Site Plan Control Area

4.1.1. Despite the provisions of subsection 3.5 of this By-law, in the Oak Ridges Moraine, on the land located within the dotted area as shown on Schedule “A-1” Oak Ridges Moraine – Environmental Protection Site Plan Control Area attached hereto and forming part of this By-law, the approval of plans and drawings is required under subsections 41(4) and (5) of the Act.

4.2. Oak Ridges Moraine – Landform Conservation Areas Site Plan Control Area

4.2.1. Within the Oak Ridges Moraine, the following provisions shall apply with respect to an application for development or site alteration within a Landform Conservation Area (Category 1) as indicated by single diagonal cross-hatching on Schedule “A-2” Oak Ridges Moraine – Landform Conservation Areas Site Plan Control Area, attached hereto and forming part of this By-law:

(a) The net developable area of the site that is disturbed shall not exceed 25 per cent of the total site area; and

(b) The net developable area of the site that has impervious surfaces shall not exceed 15 per cent of the total site area.

4.2.2. Within the Oak Ridges Moraine, the following provisions shall apply with respect to an application for development or site alteration within a Landform Conservation Area (Category 2) as indicated by double cross-hatching on Schedule “A-2” Oak Ridges Moraine – Landform Conservation Areas Site Plan Control Area, attached hereto and forming part of this By-law:

(a) The net developable area of the site that is disturbed shall not exceed 50 per cent of the total site area; and

(b) The net developable area of the site that has impervious surfaces shall not exceed 20 per cent of the total site area.
5. Enforcement and Penalties

5.1. In default of the provision and approval of the plans and drawings referred to in subsection 3.1 of this By-law or the provision of any or all of the facilities, works or matters referred to in clause 3.2(a) of this By-law and the maintenance thereof to the satisfaction of the Town, the provision of such plans, drawings, facilities, works or matters may be carried out by the Town at the owner’s expense and at the sole risk of the owner.

5.2. In default of maintenance by the owner to the satisfaction of the Town of any or all of the facilities or works referred in clause 3.2(b) of this By-law, such maintenance may be done by the Town at the owner’s expense and at the sole risk of the owner.

5.3. Any expense incurred by the Town under subsections 5.1 or 5.2 of this By-law may be recovered by action, or the same may be recovered in like manner as a municipal property tax as a priority lien against the property in respect of which the amount was imposed, or the Town may provide that the expense incurred by it with interest shall be payable by the owner in annual instalments not exceeding ten years and may, without obtaining the assent of the electors, borrow money to cover such expense by the issue of debentures of the Town payable in not more than ten years.

6. Short Title

6.1. This By-law may be referred to as the Site Plan Control By-law.

7. Repeal of Existing By-law

7.1. By-law # 7015-15 is repealed.

8. Effective Date

8.1. This By-law shall come into force and take effect upon the final passing thereof.

By-law read and passed this 25th day of June, 2018.

Accessibility Standards

The Town of Whitby encourages all applicants to review and incorporate the Town of Whitby Accessibility Standards (2005) when submitting site plan applications. The Accessibility Standards can be accessed through the Town’s website (see link below) or to receive a copy, please contact the Planning and Development Department at 905.430.4306.

Town of Whitby Accessibility Standards: [http://www2.whitby.ca/asset/pw-guideline_accessibilitystandards.pdf](http://www2.whitby.ca/asset/pw-guideline_accessibilitystandards.pdf)

Below is a brief summary of some of the main exterior accessibility components that should be considered when developing a site plan:

- **Accessible Parking Spaces** (Section 4.3.12 of Whitby Accessibility Standards) must comply with Accessible Parking Space By-law 4981-02 (Zoning By-law 1784) or 4982-02 (Zoning By-law 2585), and should be:
  - located as close to the building entrance as possible
  - located so that minimal traffic crossings need to be made
  - clearly marked and signed
  - provided with a marked accessible route from the accessible parking space to an accessible building entrance including:
    - curb ramps (barrier free curbs) (4.1.10)
    - detectable coloured and textured warning surface (4.4.8)
    - signage (4.4.7)
    - lighting (4.4.13)

- **Ramps** (4.1.9) should be:
  - located on an accessible route
  - designed with a proper running slope
  - designed so that water will not accumulate on the ramp surface

- **Ground Surfaces** (4.1.2) should be:
  - stable, firm, slip resistant and glare-free

- **Grates** (4.1.2) located on walking surfaces should:
  - have spaces less than 13mm (1/2 inch) wide in one direction
  - be placed so the long dimension of the spaces are across the dominant direction of travel (see diagrams in Section 4.1.2)

- **Balconies, Porches, Terraces and Patios** (4.3.11) should be:
  - located in an accessible area
  - surfaced as per Section 4.1.2
  - be sloped slightly to allow water to drain
  - bordered by a rail (4.1.13) in a design that allows clear vision below the rail
• Passenger Loading Zones (4.3.13) should be:
  o located on an accessible route (4.1.4)
  o appropriately signed as an accessible zone (4.4.7)

• Landscaping Plant Material (4.3.14) should be:
  o species that will not cause slipping or tripping hazards on pathways (ex: large fallen seed pods can be slipping hazards)
  o trimmed to prevent overhanging onto pathways
  o brightly coloured along walkways to act as a visual warning of the edge of the path

• Hard Landscaping Material (4.3.14) should be:
  o immune to frost heave when part of the pathway to prevent tripping hazards
  o raised to cane-detectable levels at pathway edges to act as a physical warning of the edge of path

• Street and Outdoor Furniture (4.3.15, 4.3.16 & 4.3.17) should be:
  o made accessible to persons using wheelchairs or other mobility devices (i.e. proper height, arm and back rests)
  o located on an accessible route
  o recessed from the main path of travel so they do not become a potential obstruction to persons who are blind
  o securely mounted on a stable surface
Shadow Study Guidelines

The Town of Whitby requires a shadow study to be completed for any development containing a building with a height, in part or entirely, greater than 6 storeys OR 18 metres.

A shadow study will be sufficient for approval by the Town only if it clearly demonstrates the following:

For the purpose of these guidelines “Recreation and Amenity Space” shall include, but may not be limited to, children’s play areas in public and private parks and school yards, sitting areas in public and private parks and open spaces, and the front and rear yards of detached, semi-detached and townhouse style residential dwelling units.

Developments shall ensure that at least half of the total surface area of recreation and amenity space, on the lands subject to development and those in the vicinity of the development, is exposed to sunlight during at least two consecutive times on the following dates*:

- April 21st at 11:00 AM, 1:00 PM, 3:00 PM, 5:00 PM
- September 21st at 11:00 AM, 1:00 PM, 3:00 PM

Developments shall ensure that the entire surface area of existing solar panels on the lands in the vicinity of a proposed development is exposed to sunlight during at least two times on the following date*:

- December 21st at 10:00 AM, 12:00 PM, 2:00 PM

* Additional dates may be requested at the discretion of the Town of Whitby.

The following structures will be exempt from submitting a shadow study:

- Structures in Agricultural zones;
- Communications towers / antennas;
- Lighting poles and fixtures
- Structures used for the collection of wind or solar power;
- Structures used for conveyance of electricity;
- Steeples accessory to places of worship; and
- Buildings under 6 storeys or 18 metres in height unless otherwise requested by the Planning and Development Department;

☐ Completed and signed Minimum Distance Separation Data Sheet (if applicable)
☐ Completed and signed Site Screening Questionnaire
☐ Completed and signed Other Information and Materials form
☐ Digital copies of plan(s), information and materials

16. Applicant’s Acknowledgements:

16.1 The Applicant hereby acknowledges:

- that this application and the attached supporting documentation, information and materials, if any, contains information collected and maintained specifically for the purpose of creating a record available to the general public and is open to inspection by any person during normal office hours pursuant to the provisions of the Municipal Freedom of Information and Protection of Privacy Act;
- that personal information on this application is collected under the authority of the Municipal Act, as amended, and the Planning Act, as amended, and will be used for the purpose of processing the application and to determine compliance with the policies and by-laws of the Town of Whitby;
- the applicant will be required to pay the fees of the Town for the preparation and registration of development agreements when such agreements are required;
- that conceptual development plans and/or drawings submitted with this application are not reviewed for compliance with the Ontario Building Code (O.B.C.) and/or related regulations;
- that submission of this application constitutes tacit consent for authorized Town staff representative(s) to inspect the subject lands or premises, and to carry out any inspections, tests and investigations as may be required;
- that all vegetation on the subject land(s) must be maintained and no filling, grading or excavating is permitted on the subject land(s) during the processing of this application;
- that additional approvals from the Town and/or other agencies (e.g. building permit, Central Lake Ontario Conservation permit) may be required;
- that additional fees and/or charges (e.g. building permit fees, parkland dedication fees, development charges) associated with any development approved in conjunction with this application may be required;
- that additional costs for the processing of the application may be charged where studies, reports, information and/or materials in support of the application must be reviewed by persons not employed by the Town but retained for that purpose due to an expertise in the area of the study (e.g. traffic, marketing, environmental, noise, servicing);
- that a fee for an “Annual Administrative Review” will be applied at a rate of $1,500.00 per year, each year that the application has been approved by Council, but has not been secured by a development agreement; and,
that additional information and/or materials may be required, and therefore, the application may not be deemed complete, nor processed unless the additional information and/or materials are submitted.

Questions about the collection and inspection of this information should be directed to: Commissioner of Planning and Development, Town of Whitby, 575 Rossland Road East, Whitby, Ontario, L1N 2M8, Telephone: 905.430.4306.

17. Owner’s Authorization:

SPA – Revised December 2019
SITE SCREENING QUESTIONNAIRE FOR IDENTIFYING POTENTIALLY CONTAMINATED DEVELOPMENT SITES IN DURHAM REGION

This form must be completed for all development applications and/or non-potable groundwater standard requests where a Phase One Environmental Site Assessment prepared in accordance with Ontario Regulation 153/04, as amended, is not being submitted to the approval authority. If you have any questions about the completion of this questionnaire, please contact the Region’s Planning and Economic Development Department at 905-668-7711 or Toll Free 1-800-372-1102.

Landowner Name: _______________________________________________________

Municipal Address (Street No. and Name): _________________________________

Location of Subject Lands: ______________________________________________

Lot(s): __________ Concession: __________ Registered Plan No.: ________________

Former Township: _______________________ Municipality: ____________________

Related Planning Application(s) and File Number(s): _________________________

a. What is the current use of the property? Circle appropriate use(s): industrial, commercial, community use, residential, institutional, parkland or agricultural. Note: daycare uses are defined as institutional. See Ontario Regulation 153/04, as amended, for definitions.

Does the application involve a change to a more sensitive land use i.e.: change from industrial, commercial or community use to residential, institutional, parkland or agricultural use? Refer to Sections 11, 12, 13, 14 and 15 of O.Reg. 153/04 as amended.

Yes ______ No _____ Uncertain _______
b. Is the application on lands or adjacent to lands that are currently or were previously used for the following:

i. Industrial uses?
   Yes ______ No ______ Uncertain ______
   If yes, please describe approximate dates and types of industry.
   _______________________________________________________________
   _______________________________________________________________

ii. Commercial uses where there is a potential for site contamination, i.e. an automotive repair garage, a bulk liquid dispensing facility including a gasoline outlet, chemical warehousing or for the operation of dry cleaning equipment etc.?
   Yes ______ No ______ Uncertain ______
   If yes, please describe approximate dates and types of commercial activities.
   _______________________________________________________________
   _______________________________________________________________

c. Has the grading of the subject land been changed by adding earth or materials and/or has filling occurred on the subject lands?
   Yes ______ No ______ Uncertain ______

d. Have the subject lands ever been subjected to chemical spills or hazardous chemical uses, i.e. an orchard, where cyanide products may have been used as pesticides?
   Yes ______ No ______ Uncertain ______

e. Have the subject lands or adjacent lands ever been used as an agricultural operation where herbicides or sewage sludge have been applied to the property?
   Yes ______ No ______ Uncertain ______

f. Have the subject lands or adjacent lands ever been used as a weapons firing range?
   Yes ______ No ______ Uncertain ______

g. Are the subject lands on or adjacent to lands identified as a wellhead protection zone or an area of natural significance?
   Yes ______ No ______ Uncertain ______
   If yes, please provide details.
   _______________________________________________________________
   _______________________________________________________________
h. Is the nearest boundary of the application within 250 metres of the fill area of an operating or former landfill or dump, or a waste transfer station or PCB storage site?
   Yes ______ No ______ Uncertain ______

i. If there are existing or previously existing buildings, are there any building materials remaining on the site which are potentially hazardous to human health (i.e. asbestos, PCBs, etc.)?
   Yes ______ No ______ Uncertain ______

j. Have any of the buildings on the property been heated by fuel oil?
   Yes ______ No ______ Uncertain ______

k. Are there or have there ever been above ground or underground storage tanks on the property?
   Yes ______ No ______ Uncertain ______

l. Has waste (garbage, solid wastes, liquid wastes) ever been placed on this property? Yes _____ No _____ Uncertain _____
   If yes, when? ________________________
   Please provide a description of waste materials:
   __________________________________________
   __________________________________________

m. Have hazardous materials ever been stored or generated on the property (e.g. has Hazardous Waste Information Network (HWIN) registration or other permits been required?) Yes _____ No _____ Uncertain _____
   If yes, please summarize details:
   __________________________________________
   __________________________________________

n. Does the subject property support or has it ever supported one or more of the potentially contaminating activities set out in Table 2 of Schedule D of Ontario Regulation 153/04, as amended (see attachment)?
   Yes _____ No _____ Uncertain _____
   If yes, provide details
   __________________________________________
   __________________________________________
o. Is there any other reason to believe that the subject property may be potentially contaminated based on historical use of this or an abutting property?
   Yes _____ No _____ Uncertain _____
   If yes, please provide details:
   __________________________________________________________
   __________________________________________________________

If the answer to any of Questions a) through o) was Yes, a Phase One and/or a Phase Two Environmental Site Assessment (ESA) which satisfies the requirements of Ontario Regulation 153/04, as amended, is required. Please submit two hard copies and a digital copy of the ESA documents/reports together with a letter granting the Region third party reliance on these documents and a completed Regional “proof of insurance” form.

p. Has a Record of Site Condition (RSC) or a Risk Assessment (RA) been accepted by the Ministry of the Environment (MOE) or a Certificate of Property Use been issued by MOE for this site?

   Yes _____ No _____

   If yes, please submit two hard copies and a digital copy of the risk assessment, any related certificates of property use and the MOE RSC acknowledgement letter with the application.

q. Is it the owner/applicant’s intention to submit a Record of Site Condition (RSC) or Risk Assessment (RA) to MOE for approval?

   Yes _____ No _____ Uncertain _____
Declarations:

If the answer to any of the Questions a) through Question q) was Yes, this SSQ form must be completed and signed by both a Qualified Person and by the property Owner(s)/applicant(s). The QP sign-off is not required for: land division applications for lease, mortgage, title correction, re-establishment of lot lines (where title inadvertently merged) or a minor lot line adjustment, or for a minor variance, a minor rezoning (e.g. to add a new non-sensitive land use), and/or a part lot control application where site contamination was recently addressed by a related planning application.

To the best of my knowledge, the information provided in this questionnaire is true, and I do not have any reason to believe that the subject site contains contaminants at a level that would interfere with the proposed property use. I am a qualified person with the required liability insurance in accordance with section 3.1.6 of the Region of Durham Site Contamination Protocol.
