TOWN OF WHITBY
NOTICE OF STUDY COMMENCEMENT AND
PUBLIC INFORMATION CENTRE #1
Municipal Class Environmental Assessment Study
Garden Street (Dryden Boulevard to Taunton Road)

THE STUDY:
The Town of Whitby has initiated a Class Environmental Assessment (Class EA) Study for Garden Street between Dryden Boulevard and Taunton Road. This project will study existing and future transportation needs on Garden Street to accommodate the anticipated growth in this area.

THE PROCESS:
The Study is being carried out in accordance with the planning and design process for ‘Schedule B’ projects as outlined in the Municipal Engineers Association "Municipal Class Environmental Assessment," (October 2000, as amended in 2007), which is approved under the Ontario Environmental Assessment Act. However, for this project, a higher level of consultation will be conducted, which is sufficient to meet the requirements of a ‘Schedule C’ project.

PUBLIC CONSULTATION:
Public consultation is a key component of this study. The project team will meet with the public to obtain public input, present the project details, review study findings, and address public comments and concerns.

The first Public Information Centre (PIC) scheduled is:
Date: June 29, 2011 (Wednesday)
Time: 7:00 p.m. to 9:00 p.m.
Location: Town of Whitby Municipal Building
575 Rossland Road East, Whitby

This PIC is intended to introduce the study and to obtain public input. All interested citizens are invited to attend this PIC to share their ideas and concerns on this project. If you cannot attend this PIC but wish to provide comments, please send your comments to either one of the following project team members:
