Whitby Council Approves 0.55% Increase as 2021 Budget Target

Whitby Town Council approved a budget target of 0.55 per cent increase on the total residential bill for Town services. This is one of the best ways we can support our community right now. The target aims to keep taxes low while continuing the delivery of essential services to the community. The Town is responsible for collecting property taxes on behalf of the Region of Durham and the School Boards. Share your feedback on the budget target and learn more at connectwhitby.ca/2021budget
