## **Please read the entire Application Form prior to completing**

### **General Information and Procedures**

The attached application is to be used by persons or public bodies as an application for exemption from Part Lot Control. In the application, "subject land(s)" means the land(s) that is the subject of this application. This application and any attached supporting documentation contains information collected and maintained specifically for the purpose of creating a record available to the general public and is open to inspection by any person during normal office hours. Personal information on this application is collected under the authority of the *Municipal Act*, as amended, and the *Planning Act*, as amended, and will be used for the purposes of processing this application. Questions regarding this collection should be directed to The Corporation of the Town of Whitby, Access and Policy Coordinator, 575 Rossland Road East, Whitby, Ontario, L1N 2M8 905.430.4315.

#### **Purpose:**

Where land is within a registered plan of subdivision and the owner wishes to subdivide a lot or a block within such registered plan for the purpose of selling, conveying, leasing or mortgaging such part lots or part blocks, an owner may request the Town to pass a Part Lot Control Exemption By-law under Section 50(7) of the *Planning Act*. This provision establishes that subsection 5 (Part Lot Control) does not apply to land that is contained within the lands subject to a Part Lot Control by-law. The Town uses this provision as a means of preventing the possible uncontrolled division of lots within a plan of subdivision after the plan has been registered.

#### **Submission of Application:**

Pre-consultation prior to submission of an application is encouraged.

Applicants are required to provide 1 copy of a draft reference plan prepared by an Ontario Land Surveyor, showing all existing proposed easements, lot lines, location, dimensions and setbacks to all buildings or foundations and accessory structures and all other appropriate measurements.

The completed application is to be submitted to:

**Town of Whitby Planning and Development Department  
575 Rossland Road East  
Whitby, Ontario L1N 2M8  
(Telephone: 905.430.4306)**

#### **Fees:**

All fees, as detailed in the application, must be submitted with the completed application.

#### **Procedure:**

Following evaluation of the proposal and internal comments, a by-law exempting the proposal from Part Lot Control will be forwarded to Council for adoption.

Town staff register the by-law on title and notify the applicant of registration.
