

Whitby Sustainability Advisory Committee Terms of Reference

Number:	ToR-AC-09
Reference:	Council Resolution #492-17, and #23-23
Date Approved:	October 30, 2017
Date Revised:	January 9, 2023
Approval:	Council
Point of Contact:	Office of the Town Clerk (Secretariat Support) Energy & Sustainability Programs Coordinator and Climate Change Coordinator (Co-staff Liaisons)

1.0 Enabling Legislation

The Municipal Act provides the municipality with the authority to create advisory committees for specific purposes. The Town of Whitby Council has deemed it advisable to establish a Whitby Sustainability Advisory Committee (WSAC).

2.0 Mandate and Responsibilities

The role of the Whitby Sustainability Advisory Committee is to promote sustainability, support environmental management and respond to climate change by:

- Providing advice, support and guidance to Council with respect to the Town's 2019 Declaration of Climate Change Emergency;
- Supporting education and awareness in the community; and,
- Assisting the Corporation and the community to identify, develop and implement plans, programs, policies, strategies and actions.

2.2 The Committee's mandate will be furthered through the following focus areas:

- 2.2.1 Advice Providing input and guidance for the preparation and prioritization of plans, programs, policies, strategies, actions, corporate operations and decision making including the reporting for the implementation of the Zero Carbon Whitby Plan.
- 2.2.2 Education Providing information and advice to support the understanding of sustainability, climate change and environmental management issues.

2.2.3 Awareness Promoting awareness and stewardship regarding climate change and the built and natural environment through engagement, outreach and advocacy.

3.0 Lead Department

3.1 The Planning and Development Department will be the lead for the Whitby Sustainability Advisory Committee. Staff from other departments may attend meetings as required to provide expertise or report on various matters.

4.0 Membership and Composition

4.1 The Whitby Sustainability Advisory Committee shall be comprised of up to twelve (12) and no less than five (5) citizen appointments, two (2) Whitby Youth Council Liaisons, and one (1) Member of Council. Six (6) of the 12 citizen appointments should consist of representatives from the following specified sectors/areas relating to sustainability, which Council shall strive to appoint:

- Arts / Culture / Environment / Social
- Business / Commerce / Industry / Technical

#	Number of Committee Members	Member Type
